Sir:

In response to the Examiner's species election requirement of November 2, 2005, the time set for response being one month from the mailing date from the U.S. Patent and Trademark Office, i.e., December 2, 2005, Applicants hereby elect species a, which is directed to Figures 1 and 2. Applicants note that all claims, i.e., claims 1 – 26, are readable on the elected species, and all claims are generic, including claim 10, which alternatively recites the two identified species.

As all of the pending claims recite the subject matter shown in the elected species, the above election is made without traverse. However, as the claims are generic to each identified species, Applicant requests reconsideration and withdrawal of the species election requirement.

Should the Examiner have any questions or comments, he is invited to contact the undersigned at the telephone number listed below.

Respectfully submitted,
Patrick ARACHEQUESNE
